A TIME FOR EVERYTHING: THE KEVIN ZIMMERMAN STORY BY MICHAEL L. WHITE PDF

Does God still work miracles today as He did in the Bible? That question, asked in a television interview several years ago, prompted Kevin Zimmerman to commission the writing and publication of his personal story as a response. This book details how God worked not one, but two amazing miracles in Kevin's personal life. More importantly, you'll learn how God brought Kevin to the point in his life where miracles could happen. After you finish reading this book, perhaps you will recognize the many occasions God has worked miracles in your life, too. Your moment of truth begins now!

By TWJ Magazine

I'm not much for reading nonfiction, nor am I usually fond of military stories. I volunteered to review this book, because it was needed. I have to admit that I'm glad I did read it, because it warmed my heart.

The main question to this book is, "Does God still work miracles today as He did in the Bible?" A Time for Everything details how God worked two miracles in Kevin's life. More important, we learn how God brought Kevin to the point in his life where miracles could happen. After reading this book, the author hopes that readers will be able to recognize the many times God has worked miracles in their lives, too.

Through the author, Michael L. White, we are shown Kevin's great faith, and his walk with the Lord. He has made some mistakes along the way, but as his faith grows, and he understands what he needs to do in order to make that happen, we can identify with his struggles and with his triumphs.

A Time for Everything is a good, uplifting read. If you like true stories, real heroes, and a dose of miracles, you'll love A Time for Everything.

(The Wordsmith Journal strives to guide readers to books of personal interest, with the understanding and

respect that what appeals to some may not appeal to others. Therefore we attempt to keep our reviews focused on content, genre and style. The rating is necessary to make use of Goodreads and Amazon. It reflects the reviewer's own level of enjoyment, but the review is intended to be informative for the benefit of all readers.)

A Man of True Faith

By Michael

I was Kevin Zimmerman's Commanding Officer when the I Corps Deputy Commanding General presented him with his SECOND Soldier's Medal for heroism. Kevin is an inspirational figure: I have never met a Christian with a purer faith. Kevin Zimmerman truly believed that God guided his feet over those minefields. Because he had true faith, he was able to do things others could not do, and to go places they feared to go. This is what true faith can do for a man. As such, it is truly an inspirational story, and one that should not be forgotten. And I know it to be true. I believe this book will lift your life.

A Sinner Saved

By Richard J. Emmel

The phrase "Like walking on eggshells," takes on new meaning in the story of Kevin Zimmerman written by Michael White. Kevin, self-described, as far less than an angel makes not one but two walks through minefields to treat injured soldiers. There seems to be no hesitation in the medic's mind each time he lands to treat and remove soldiers blown to pieces in an area full of land mines. Read this book to get an actual on the ground account of war and the multiple miracles that allowed Kevin to assist his badly wounded compatriots.
