Exactly what it claims to be

By Kim A

This study guide is perfect for the average student. It is slim in design which makes it easy to take on the go anywhere. The beginning of the book gives test taking tips and the buyer is also offered a DVD set of tips via email response. Each chapter is followed by Q&A so one doesn't struggle to get the correct answers. It does not just give you the correct A-B-C answer but a small paragraph explaining why that answer is correct.

By Soura E

The book is great! It provides all of the important information that you will need to know in order to pass the exam. It is essentially a textbook but smaller if you are going to teach the course to yourself. It has practice exams throughout the book that will be helpful for the exam in May.
