### Dirty Little Secrets

Cowboy, Kyle Hansen is the black sheep from the poster-family for dysfunctional relationships. His relationship as a hell-raising womanizer began at the ripe age of twenty-one when the woman he fell in love with became pregnant after she'd cheated on him. Since then he's been on a mission to prove her right. He doesn't deserve to find someone who'll love him.

Juel Evans' world spins out of control when she comes face to face with the only man she's ever loved. This cowboy is unredeemable, incorrigible, and pure alpha-gorgeous. She wants him as much as she always did, maybe even more. Teaching Kama Sutra had always come easily until she's coerced into using her ex as a partner for a demonstration.

When family and friends try to help, the Hansen family suffers its worse tragedy ever. Will Kyle's family drama keep Juel from telling him a dirty little secret?

### Count on Three

What could a gay man, a bisexual cowboy and a straight woman ever find in common? Love.

Poor little rich girl, Bev Wells, has plenty of money, but no one who loves her. She's spent the last ten years worshiping a cowboy who didn't love her back. When she starts to fall for a gay man, she thinks she's finally lost her mind once and all. What will the man she's always love do if he discovers her secret. She's about to consent to a ménage with two men.

Brye Carlton wants to find a third to please his bisexual partner. He's found the perfect woman. What started as a way to get closer to his lover, however, becomes problematic. Not only does Bev Wells fit the bill, she takes their ménage where he never dreamed he'd go.

Life is complicated for cowboy Matt Hansen. He has no plans to reveal he's bisexual, even if it means losing out on love. In his world of rough and tough cowboys, he can't take the chance. Torn between the life he's always known and the uncertainty of coming out, he's chosen silent suffering. Will his selfishness destroy those he loves? Or will he find a way to be the hero?

### Top Cowboy

One man's past bisexual lifestyle has significant and lingering consequences. Spence was once on top of the world, a golden boy, rich and accustomed to getting what he wanted. Fate has conspired against him. When his best friend Zandra was attacked everything chanced. It was time to grow up. Now he's also faced with the possibility he'll have to sell the home he inherited from his grandparents. His fate, however, is about to change.

Just when he finds the perfect gay cowboy to love, he's blindsided with a complication of epic proportions. A pregnant woman claims he's her baby's daddy...and his "perfect cowboy" is the woman's unsuspecting

half-brother.

Paul never knew falling in love could be so problematic. When the man of his dreams also knocks up his sister, can Paul get past it? To make matters worse, he has hot-blooded Latina prejudices against rich white men who don't have a clue how the other half lives. Spence could be one of them...

#### Trailer Trash

Caren started down the wrong road in life when she became pregnant at fourteen. Now at thirty-two, she's divorced and living in a dump of a trailer. She spent the last ten years of her life sacrificing for her child, yet her teenaged daughter hates her and wants nothing to do with her. J. R. is just trying to make it through each lonely night. He's lost everything worth living for, and he's not interested in starting over. He simply wants a good time with no strings attached. But when he meets Caren, he suddenly discovers his heart isn't as dead as he once believed. After their night together, Caren makes him yearn for more.

But a one-night-stand can't heal years of pain—or can it?
