CONTINENTAL BEGINNINGS (CONTINENTAL AFFAIR BOOK 2) BY ELLA DOMINGUEZ PDF

Warning: Written for mature readers (18+) and includes detailed sexual encounters. Approximately 16K words.

From the first day Mr. Pettifor laid eyes on Bella Darcy, he knew he couldn't deny himself the indulgence of being with her. Against his better judgement, he hired her, knowing full well he would pay the price with her constant presence. Little did the alpha male know that before him stood a woman who yearned for his touch, his control and his training.

By day, Mr. Pettifor was a hard working businessman and a force to be reckoned with. At night, he was a talented and skilled instructor at a domestic discipline training center and an austere alpha male whom women bowed at his feet.

At a crossroads in her life, Bella had started a new career path, hoping to one day go to medical school. When she applied as the personal assistant to the inscrutable Mr. Pettifor, she never thought it would lead to anything more than an interview.

This is the story of Mr. Pettifor, a man who took for granted the love and adoration given to him until it was taken away, and how he fell in love with the woman he trained to be everything he ever wanted. This is the tale of the shy and fearful Ms. Darcy and how she flourished under his command, never knowing of his secret life, never asking questions, and yet, somehow finding her true courageous self in the process.

This is the story of how their relationship began.

Continental Yumminess!!!

By LAYLAW

5+++++++ AMAZING STARS!!! (I received this ARC for my honest review- THANK YOU ELLA)

Continental Beginnings is the prequel to Continental Breakfast where we get to learn how Mr. Pettifor met Ms. Darcy and how their relationship began. I loved that this was all in Mr. Pettifor's POV, because in Continental Breakfast he came off as a little cold. However we find out why Mr. Pettifor behaves the way he does and we get his inner thoughts on Ms. Darcy. I just love the sweet things he says to Bella but sadly they are all in his head, but we get to see why he wanted their relationship this particular way because he was burned in the past.

This book starts off with the Mr. Pettifor searching for a new assist and we get to see that how he conducts Bella's interview is different than any other interview he has done. Ms. Darcy immediately fits his needs and goes above and beyond Mr. Pettifor's expectations. Ms. Darcy easily fits into a submissive role to Mr. Pettifor's dominate one. We also find out that Mr. Pettifor is a teacher of sorts at a submissive training school and we find that Mr. Pettifor starts to lose his normal knack for the student body because he has issues focusing with Ms. Darcy on the brain.

As the story progresses we see more of Ms. Darcy and Mr. Pettifor's interactions over their two year span together and how well, they fit together and we get the pieces to the puzzle of what Mr. Pettifor was really thinking when Ms. Darcy finally resigned. The book ends with Mr. Pettifor finding Ms. Darcy on the park bench and we finally have both parts to their story ending in the same place. Oh how I wish this book was longer!! I wish it was 500 pages because I swear these two need lots of page time. They complement each other perfectly and they need more time to completely let themselves open up about their true feelings. Awesome read, I cannot wait for more..... Just like Mr. Pettifor, I am HUNGRY.

Deeper...

By Nicole H. Vela

From the moment Mr.Pettifor saw her he new he was in trouble, the only trouble was to just be with her. Everything about her was alluring and woke something in him. By day he is wealthy hard working businessman and in the evening he is the instructor of domestic discipline training center, as the Alpha male, woman are constantly bowing at his feet. At a crossroads Bella is entering a whole new world, in medical school and applies as a personal assistant to the domineering Mr.Pettifor, what was only and interview was so much more! The story is about Mr.Pettifor's a man who takes everything for granted and almost lost everything, at least everything that is important..love,adoration commitment..everything he has never had or will have if he doesn't stop being a jerk. Realizing he too is worthy of love he embraces it. As for Bella Darcy,shy,beautiful and submissive(a wonderful compliment to his dominant), she is flourishing and never knowing he had a secret life, only she is strong enough to embrace what she wants..Mr.Pettifor! This series is absolutely amazing and can't be missed!I would love a part 3!

Ms Darcy and Mr Pettifor have excellent chemistry

By Robin Snyder

These are definitely 18+ short stories.

I enjoyed the Continental Breakfast so much I decided to spend a little more time with these characters. Continental Beginnings is Dom Lite and a fun quick read. Told solely from Mr. Pettifor perspective this tackles the interview in which they met and how the work relationship progressed. It covers only the time before Continental Breakfast and the three months that he was missing during it.

I very much liked getting the male perspective on this story as well and why he was so reluctant to just express himself. It wasn't a necessary read but since I liked the characters and it was also short I gave it a try. I still liked Continental Breakfast better but reading about some of the other escapades of Ms Darcy and Mr Pettifor was fun, sensual and erotic. Very enjoyable if you liked the first short story.
