Review

"My goal is to have the students ready to critically read the Wall St. Journal by the latter part of the semester. This is the best book for that objective."

"I have been using Brigham and Houston for over a decade. I have tried other ones but I still like Brigham and Houston."

About the Author

Dr. Eugene F. Brigham is Graduate Research Professor Emeritus at the University of Florida, where he has taught since 1971. Dr. Brigham received his M.B.A. and Ph.D. from the University of California-Berkeley and his undergraduate degree from the University of North Carolina. Prior to joining the University of Florida, Dr. Brigham held teaching positions at the University of Connecticut, the University of Wisconsin, and the University of California-Los Angeles. Dr. Brigham has served as president of the Financial Management Association and has written many journal articles on the cost of capital, capital structure, and other aspects of financial management. He has authored or co-authored ten textbooks on managerial finance and managerial economics that are used at more than 1,000 universities in the United States and have been translated into 11 languages worldwide. He has testified as an expert witness in numerous electric, gas, and telephone rate cases at both federal and state levels. He has served as a consultant to many corporations and government agencies, including the Federal Reserve Board, the Federal Home Loan Bank Board, the U.S. Office of Telecommunications Policy, and the RAND Corporation. Dr. Brigham continues to teach, consult, and complete research in addition to his academic writing. He spends his spare time on the golf course,

enjoying time with his family and dogs, and tackling outdoor adventure activities, such as biking through Alaska.

Joel F. Houston is the John B. Hall Professor of Finance at the University of Florida. He received his M.A. and Ph.D. from the Wharton School at the University of Pennsylvania, and his undergraduate degree from Franklin and Marshall College. Prior to his appointment at the University of Florida, Dr. Houston was an Economist at the Federal Reserve Bank of Philadelphia. Joel's research is primarily in the areas of corporate finance and financial institutions, and his work has been published in a number of top journals including THE JOURNAL OF FINANCE, JOURNAL OF FINANCIAL ECONOMICS, JOURNAL OF BUSINESS, JOURNAL OF FINANCIAL AND QUANTITATIVE ANALYSIS AND FINANCIAL MANAGEMENT. Professor Houston also currently serves as an Associate Editor for the JOURNAL OF MONEY, CREDIT AND BANKING, the JOURNAL OF FINANCIAL SERVICES RESEARCH and the JOURNAL OF FINANCIAL ECONOMIC POLICY. Since arriving at the University of Florida in 1987, Joel has received 19 teaching awards, and has been actively involved in both undergraduate and graduate education. In addition to co-authoring leading textbooks in financial management, Dr. Houston has participated in management education programs for the PURC/World Bank Program, Southern Company, Exelon Corporation and Volume Services America. Joel enjoys playing golf and tennis and spending time with his wife (Sherry) and two children (Chris and Meredith). He is an avid sports fan who follows the Florida Gators, and the Pittsburgh Steelers, Pirates and Penguins.

FUNDAMENTALS OF FINANCIAL MANAGEMENT (WITH THOMSON ONE - BUSINESS SCHOOL EDITION) BY EUGENE F. BRIGHAM, JOEL F. HOUSTON PDF

Designed to put readers "First in Finance" today, this fully revised thirteenth edition of FUNDAMENTALS OF FINANCIAL MANAGEMENT provides readers with a focused understanding of today's corporate finance and financial management. This market-leading book offers a unique balance of clear concepts, contemporary theory, and practical applications in order to help readers understand the concepts and reasons behind corporate budgeting, financing, working capital decision making, forecasting, valuation, and Time Value of Money (TVM). The thirteenth edition has been updated to include discussions of several major events such as the BP oil spill, the European debt crisis, and the ongoing weakness in the economy and financial markets. Numerous practical examples, "Quick Questions," proven end-of-chapter applications, Integrated Cases, and real-world examples demonstrate theory in action and help readers apply what they have learned.

Ready to Invest

By Angel

This book is organized in a way that offers information gradually. As you read you gain more information without becoming overwhelmed. For instance, callable bonds are defined and a simple example is offered in section 3 (if my memory serves me right), and then several chapters later, callable bonds are reintroduced with more information about how to invest in them. This book's arrival was perfect timing because I am currently investigating how my family and I will invest a recent lump sum.

Highly recommended

By August Baur

As a new comer to finance, this book is a great buy. Lays out complex concepts and financial analysis in lame-mans terms. Easy to read to apply. As far as textbooks go, this one is half way decent

Very easy to follow presentation of the material

By Andrea Royster

Purchased book for Masters level course. Very easy to follow presentation of the material. Chapter review questions were great preparation for tests during my class term.
