Because you can just conserve the data in your computer hardware as well as gizmo. So, it enables you review it everywhere you have desire to check out Ibsen: Four Major Plays, Vol. I By Henrik Johan Ibsen, Richard Davis

IBSEN: FOUR MAJOR PLAYS, VOL. I BY HENRIK JOHAN IBSEN, RICHARD DAVIS PDF

The translations, created through a fresh approach to the Norwegian original in tandem with a keen sense of Ibsen's theatricality and playability, have all been tested and refined in productions at professional theaters.

The translators have paid particular attention to three aspects of Ibsen's technique: his wit and humor, his "supertext" - the web of rich allusions and references that he weaves in and around his dialogue - and the bold theatricality of the plays. The result is an Ibsen that sounds contemporary without being slangy or colloquial - an Ibsen of strong ideas but also living characters - and surprisingly different from the image of the cold, forbidding "scold of the North" that we often associate with this giant writer.

- 286 pages

Most helpful customer reviews

2 of 3 people found the following review helpful.

Ibsen, by Rick Davis

By Sarahlsk.@aol.com

This multi-volume set of Ibsen's work, edited and compiled by Chicago/Evanston author Rick Davis is a little masterpiece.

The new adaptations are marvelous, and Mr. Davis' commentaries show us how Ibsen is a master craftsman, and how his work may be best contrasted with Strindberg -- who is anything but a master editor and foundation layer.

I think Mr. Davis shows us how important precision and planning can be to the writing process. Therefore I think this book is a must have for screenwriters, as well as fiction-writers -- not to mention playwrights.
