Twists and turns

By Bec

There are a lot of twists and turns in this book. Although I did not feel that justice was well served. If I had written the story, I might've had a different ending. But, as in life, things happen that are out of our control. And when it does, you just have to prepare yourself for the future, just as Kyla does in this series.

If only..... there was more books to this story.

By Kania webb

All five books were amazing the ending took a different turn than I thought it would.Its a great book and I recommend all 5 books I hope there will be at least 1 more book to this srory.
