Perfect for hanging

By Jennifer Elliott

This book has some great posters from some of my favorite bands. I'm not a teenager anymore, but I still enjoyed putting them in frames and putting them up on the wall. my stairwell is now full of them. if you are looking for some interesting art, try these!

Great book! Nice quality and posters are removable. Purchased for my 19 year old daughter for Christmas

and she loved it. The book was \$9 cheaper than the full price at Barnes and Noble.

### ROCKIN MY WALLS

By Emily B

I bought this a couple years ago after seeing it in a magazine, and it was probably one of the best things I've ever purchased for my home decor. The posters are funky and unique, with a lot of variation of style among them. There are obviously a few that are my favorites, but I genuinely like and have hung up all of them at some time or another! Plus the back side of each poster has a story about what the artist was listening to and thinking about when they designed the poster, which is pretty cool.
