Gets straight to the point quickly. Excellent for daily reading.

By Beesusie

This book is small in size, but powerful in its practical information. I'm reading in this book every day even after I've finished the complete book. It is small enough to carry with you wherever you go (6 1/2 x 4 1/2 x 1/2) .

He gives suggestions on prioritizing what you think and do, giving excellent examples that provide information and motivation for change or continuing habits.

Here are a few I picked at random: in the chapter on FAMILY: "Express appreciation for each other."  
"Resolve conflict as quickly as possible."

Chapter on THINKING: "Recognize There Are Many Kinds of Thinking." In that chapter a subheading is "MANAGING THE DISCIPLINE OF THINKING" one of which is: "Set Aside Think Time Every Day."

And so forth. Even if you only read one chapter or only the headings you would experience some benefit, but I think a reader would benefit from reading every chapter over and over because the purpose is to change our thinking and habits.

A Must Read!

By Jon Brulotte

John Maxwell's story telling style of writing ties in real life success and leadership stories with practical application. I recommend anything of his to my friends. Make Today Count teaches you how to maximize the amount of influence each of us has on a day to day basis.

Very Practical Approach to Success-loved it!

By Julie Underwood

Even though I haven't yet officially implemented all the practical strategies for success provided in this book, I have already cleared some of my personal hurdles. Just reading this text will inspire you to achieve new heights in your personal and professional life. I am eagerly anticipating the success that walking out the principles will bring. Dive in and enjoy the blessings of John's wisdom and practicality. I'm completely inspired!!
