MALT WHISKY COMPANION BY MICHAEL JACKSON PDF

This is Michael Jackson's essential read for the whisky connoisseur - fully updated 6th edition. Discover all about whisky from this new and updated edition of the classic, definitive guide to malt whiskies, by the late Michael Jackson. You'll learn everything you wanted to know about your favourite tipple. From why you should choose Islay, the Islands, or the Highlands, to which whiskies are light and flowery, or rich and treacly. Find whisky tasting notes on over 1,000 malts arranged from A-Z, including vintages from 1926 onwards. Over 500 new bottlings are reviewed and scored - plus hundreds of revised entries. This title is packed with the latest releases and brand new tasting notes from every distillery in Scotland. Plus, reviews of malts from around the world, including Ireland, Japan and newer producers from California to the Czech Republic. It is updated by whisky experts Dominic Roskrow, Gavin Smith and William Meyers.

Great guide !

By Paul J

This is my first buy of one of Michael Jackson's Whisky Companions.

It gives a short introduction into the world of Scotch single malt whisky, used terminology, and explanation of the grading standard. Then the bulk is a comprehensive listing of current Scotch single malts including a brief presentation of the stated distillery and their recent expressions with nosing and tasting notes and grading. Then a shorter section is dedicated to the other single malt whiskies of the world. I would have liked full view photos of bottles. But this is more than compensated for with the excellent written content. Great guide for a beginner, like me, to compare different expressions and find your way in the pleasures of enjoying single malt whisky
