# MAYBE TONIGHT? (SNAP DECISION) BY BRIDIE CLARK PDF

**Maybe Tonight? (Snap Decision) By Bridie Clark.** Exactly what are you doing when having spare time? Talking or scanning? Why don't you try to read some e-book? Why should be checking out? Reading is just one of fun and enjoyable activity to do in your leisure. By checking out from numerous sources, you could locate brand-new information and also experience. Guides *Maybe Tonight? (Snap Decision) By Bridie Clark* to check out will certainly be many beginning with clinical books to the fiction books. It means that you can read the books based upon the need that you intend to take. Obviously, it will be different and you could read all e-book kinds whenever. As below, we will certainly reveal you a publication must be checked out. This book *Maybe Tonight? (Snap Decision) By Bridie Clark* is the choice.

From School Library Journal

Gr 6-10-Clark shows how every decision has consequences by asking readers to make decisions that will determine the plot. As a new freshman at exclusive King's Academy, will "you" decide to be a party girl or a responsible scholarship student? Each chapter turns on one decision after another. Set in modern-day New Hampshire, "your" story unfolds as your rich, charitable, and style-obsessed friend, Annabel, helps you prepare for the most important party of the year, the Midwinter's Night Dream. Soon other roommates join the prep party, and the pages fill with popular brands and mentions of pop culture galore. Readers will be enmeshed in all the trappings of elite prep-school culture. These characters travel in jets, vacation on Nantucket, socialize with pop stars, and have grins that "could power an entire village in Guatemala." An additional purchase for fans of choose-your-own-adventure books and *Teen People*.-Lisa Gieskes, Richland County Public Library, Columbia, SCα(c) Copyright 2013. Library Journal. LLC, a wholly owned subsidiary of Media Source, Inc. No redistribution permitted.

From Booklist

If you've ever wanted to attend an elite boarding school, go to a decadent Midwinter's Eve party, or choose between a host of attractive boys vying for your attention, here's your chance to live the experience vicariously. That's right—it's a choose your own adventure for teens! Clark delivers a fast-paced, fun read that allows kids to decide how one wild evening will turn out. Readers can choose whether they want a John Green-esque romance or dive straight into a *Gossip Girl*-style party, hopping from one handsome, rich guy to the next. Clark neatly resolves every version of the plot, but many of the events leading up to the climactic ending are in the reader's hands. This one's fresh and unique, with wide-ranging appeal. After all, if you don't like the story, you change it. Grades 7-10. --Bethany Fort

Review

“Both novels are polished to a gleam, and their savvy, self-aware references to fashion and music and other timely cultural touchstones would meet the standards of any mean girl worth her salt....Even for adults looking back, there's a certain comfort in the dissection of the mean girl enterprise and the kind of empowerment in seeing a new generation rebel against it. The questions Crane and Clark address don't get

answered neatly and tied up with a bow upon graduation, and perhaps that's why both novels are so enjoyable even to those who've crossed that threshold.” ?The New York Times Book Review

“Readers can choose whether they want a John Green–esque romance or dive straight into a Gossip Girl–style party, hopping from one handsome, rich guy to the next.” ?Booklist

A Must Read

By EJ

Wasn't sure what to expect but I ended up liking the choose-your-own-adventure format in this setting. It felt that the outcome of various choices were actually pretty unpredictable--it was hard to "game" the choices to get to a happy ending, and that made it more interesting. The writing is funny and light and the characters were well-drawn. It's an easy fun read. I wanted some of the story threads to be longer.

Fun choose your own adventure, emphasis on adventure!

By Katie

MAYBE TONIGHT is such a fun ride--it combines the choose-your-own-adventure format I loved as an elementary schooler with the high social stakes and somewhat (delightfully) exaggerated Young Adult tropes of a Pretty Little Liars novel.

I would say this is no tale for prudes, but that's not quite right--there ARE good, responsible options you can pick if getting involved in the dangerous world of high school drinking and drugs, playing hooky, and taking sexual risks is not your style. However, even the most straight-laced person might enjoy re-reading this book and taking the riskier options, just for the thrill of taking part in a totally different world. One of my favorite aspects of this read was that it's actually multiple books in one, and it's fast-paced enough that the average reader could easily re-read the book a few times, testing out all the different twists and turns available.

Very highly recommended for anyone who ever loved a choose-your-own adventure as a kid and now needs some older fare.

ummmmm.....

By R. Kunzler

it wasn't all that great. I loved her book, "The Overnight Socialite" so if your looking for a good read, order that one instead
