MOCK CALIFORNIA SUPPLEMENTAL EXAM (CSE OF ARCHITECT REGISTRATION EXAM): CSE OVERVIEW, EXAM PREP TIPS, GENERAL SECTION AND PROJECT SCENARIO PDF

A Practical Guide and Mock Exam for the California Supplemental Exam (CSE)!

To become a licensed architect in California, you need to have a proper combination of education and/or experience, meet the special requirements of the California Architect Board (CAB), pass all seven divisions of the ARE, and pass the California Supplemental Exam (CSE).

This book provides an ARE and CSE exam overview, suggested reference and resource links, exam prep and exam taking techniques, tips and guides, and a realistic and complete mock exam with solutions and explanations for the California Supplemental Exam (CSE). More specifically this book covers the following subjects:
1. ARE, IDP, and education requirements
2. ARE and CSE exam content, format, prep strategies, and exam taking tips
3. the CSE project scenario section
4. the CSE general section
5. context and pre-design
6. regulatory issues: California state laws, code, regulations, and standards; other laws, codes, regulations, standards, agencies, and entitlements
7. management and design
8. construction
9. CSE reference materials (official CAB reference materials plus additional critical materials)

This book includes 120 challenging multiple-choice questions of the same difficulty level and format as the real exam. It will help you pass the CSE and become a licensed architect in California!

Check out FREE tips and info for all ARE Exams at GeeForum.com, you can post jpeg files of your vignettes or your questions for other users' review.

Can you study and pass the California Supplemental Exam (CSE) in 2 weeks?

finally I was able to read it during the Holiday season and it is a great tool to pass the test
By Veronica
I had a copy setting on my desk for a while, finally I was able to read it during the Holiday season and it is a great tool to pass the test.
I highly recommend Mr. Chen books to pass ARE test and also as a tool to learn about code and the construction business.

This book does have a good practice exam in it which is different than the ...
By Janna Rapaport
This book does have a good practice exam in it which is different than the other available materials. It is a shame the writer was not more generous with questions considering the price of the book. Other information in the book is mostly a copy of what the state of California provides when one pays to sit the exam.

0 of 1 people found the following review helpful.
Misspelled words
By Gail
Questions are helpful but the book is full of misspelled words which makes me doubt the validity of the answers.
