Looking for a Word from God?

By A Customer

If you've found yourself in the wilderness waiting for a word from God, you may find His special message for you within this unique book. Believing the Bible is a "love letter from God to His people," Cloninger has dramatically personalized and paraphrased key portions of God's Word and placed them in the context of a poignant postcard from the Father. Each of the 60 readings is preceded by the Scriptural inspiration, assuring accuracy to God's original intent. At times when your walk is so weary that reading more than a few words seems an impossible task, one of these brief readings will provide an overwhelming reminder of God's intimate love. Word Publishing has also packaged the book as a spiral desk calendar, with perforated postcards that you can actually send to a friend who needs a word of encouragement.

A love letter from God.

By DP

Through Claire Cloninger's pen, God sends a tremendous message of love, hope, encouragement and healing. Though the passages are short, a powerful message is conveyed in each one as she uses God's words to establish credibility to her words. The passages are a soothing balm to a hurting soul and a tremendous message from our Heavenly Father to reassure us of our value and worth to Him.
