Wonderful Meditation for Children and Adults too :)

By Jean Lorusso

This is an incredible little book that will teach your children that they can "escape" and talk with Jesus whenever they want to. It's great for adults as well. I use it for myself and it's quite relaxing.

Fabulous!

This is a wonderful meditation for children and adults. I used it with my 3rd grade CCD class and although it is a rather long meditation, everyone participated! I highly recommend this book!
