Most helpful customer reviews

2 of 2 people found the following review helpful.

Wonderful account of history with the Curly horses and the people who discovered them

By againe23

As the owner of Curly horses and Bureau of Land Management gathered Curly Mustangs I found Mr. Woolley's historic account both interesting and accurate. I have visited Lander County, NV and have spoken to the residents of Eureka. For Curly horse lovers who are interested in learning more about their history this is a "must read".
