By Rey Morales

Father Richard M Gula presented the material in a clear way, easy to understand and the Spiritual Exercises at the end of the Chapters gave more wait to what was read on the chapters.

catching up on the Good Life

By James J. Owens

Richard Gula's work is strong on the communal and coventual qualities of Christian ethics. It echoes earlier themes of. Lovin and others who see the ethical life as eritten on the narrative of one's life.

We used this as the introductory text for our theological studies book gathering.

Our four members found good in it.

A very nice look at the Moral Life

By Howard L. Gault

Fr. Gula has written a very caring exposition of the Moral Life from a Spiritual perspective. It is a rewarding adjunct to some of the more rigorous studies of morality. I heartily recommend it!
