New Living Translation

By A Customer

This is the standard version of the Open Bible and uses the New Living Translation. This translation is a "paraphrase." This means it was translated thought by thought rather than word by word like the New King James Version.

Exciting and That's Great!

By Cheng Wai Ming

Good for reading because the translation is exegesis not simply thought by thought. That's it good for loud reading. By all means, the NLT is easy to understand. The study help combine all necessary tools for Great study experience that no need other resources. The Introduction section contained SOLID scholarship information that is very helpful. The Bible Text is LARGER than other study bible, so that the reading is comfortable. I recommend it to all serious bible study Christians.

An Awesome Translation that touches the soul

By A Customer

Finally, a translation that is an awesome work, for those of you who haven't had a chance to study Greek New Testament or Hebrew OLD Testament, this is the ultimate Bible Reading Experience, which has been written in a very contemporary language, keeping in mind the essence and central thought of each verse that

has been translated, Excellent explanations makes the Bible very easy to understand and meditate upon. A wonderful resource for everyone.
