About the Author

Sharath Komarraju is a Bangalorebased author. He began life as a software engineer but has since jumped the fence to write full time. His first novel, *Murder in Amaravati*, was longlisted for the Commonwealth Book Prize in 2013. Perhaps his best known work is the *Hastinapur* series, which attempts to tell the story of the Mahabharata through the thoughts and lives of the epic's lesser known female characters. When he's not writing, he's either watching cricket or talking to his wife, or trying to watch cricket while talking to his wife.

THE RISE OF HASTINAPUR BY SHARATH KOMARRAJU PDF

For the story of the Great War is also the story of the women . . . Amba lives for revenge, but circumstances and men conspire against her. Will her daughter bring her the only salvation she seeks? Kunti stakes all to free her brother Vasudev and his wife Devaki. Yet it is the groomchoosing ceremony that will define her life. Gandhari too has come of age, and is faced with a difficult choice: she must marry the blind prince of Hastinapur if she is to save her kingdom from the certain ruin it faces due to Hastinapur's deceit. In the background, Bhishma pulls the strings, making alliances and marriages, devising new strategies, ever increasing the might of Hastinapur.

he has women scheming against him and he has no idea like ever. The celestials are present as usual and ...

By Shwetha H S

Following the events that occurred by the death of Vichitraveerya in the Book #1 of *Hastinapur* series, *The Winds of Hastinapur* by Sharath Komarraju, *The Rise of Hastinapur* starts with Amba who becomes a priestess, then takes you to Pritha, the princess of Kunti, and at last Gandhari, the princess of Gandhar. Devavrata is now renowned as Bhishma, and Satyawati is not mentioned much in here, but Ganga is still there. And you get to meet Shakuni, the prince of Gandhar and younger brother of Gandhari. *Hastinapur* has grown to be a juggernaut and so does the number of people scheming for the downfall of *Hastinapur* and Bhishma.

This book, more than the first one, leaves you wondering if Bhishma was truly a visionary or just a happy-go-lucky chap for the time being. More than men, he has women scheming against him and he has no idea like ever. The celestials are present as usual and they play their role whenever necessary. There are lust-filled, power-hungry people everywhere who may or may not be truly brave. As the story continues, it is easier now to see these characters from Mahabharata to be more realistic than magical as they are told to be. Of course, magic is there due to the Celestials, but this retelling doesn't have magic for everything; like magic to bring shoot arrows and burn people.

As the story moves forward, there are more and more characters brought in. I am sure there are more to come. Why? Because this is Mahabharata! There are numerous characters meant to be in it. But for now, the royal ladies are paving the path to where they go and lay the foundation to one of the epics that mankind has ever witnessed (ahem, read). So, brace yourselves people. Sharath Komarraju is here to stay narrating his version of Mahabharata.

Great Characterizations!

By Shari's Peculiar Fascination

What a fun read! Yet it was still true enough to great epic to add a wonderful historical backdrop to these women's tales. I especially liked the characterization of Gandhari. In contrast to the usual more passive personality, this was a very interesting, more fleshed out Gandhari. I hope Komarraju continues this series. I'd love to read his take on Draupadi and Subhara. This book moves along very quickly and kept me intrigued!
