The Shadow of Calvary is a classic of Christian literature in which Hugh Martin leads us through the garden of Gethsemane to the arrest and the trial of Jesus. Martin interprets these events in the light of the fulfillment of the Scriptures. Chance is that you do not entirely understand what Calvary meant to Jesus. Here Martin leads us through the biblical account of Calvary taking you through every step of the Shadow of Calvary. Most modern preaching and writing simply scraps the surface of God's Word, Martin reaches the heart of the sacrifice and love shown on the cross.

Hard reading but excellent

By Thomas Parr

Martin's style is archaic, and his sentences sometimes go on for a long time. On one occasion I noticed that a sentence went on for an entire paragraph. But once you think through the difficult verbiage, the content is gold. I've rarely read such profound insights into Christ, even from Puritan authors.

One of the best things about the book is that Martin analyzes Gethsemane with the Deity of Christ in mind. He skilfully deals with questions like "Isn't it an imperfection in Jesus to request that the cup pass from him?" "Why would Christ need an angel to strengthen him?" "Why would Jesus, if He were God, be 'sorrowful to death'? Martin answers these and other questions with Scriptural fidelity, keen insight, and warm devotion for Christ, "who humbled himself even to the death of the cross."

A wonderful book that gets better every time you read it.

This book is a direct result of much time spent ...

By Pastor Martin Lopez

This book is a direct result of much time spent in solemn meditation upon the sufferings of Jesus in the garden of Gethsemane, in His arrest and in His trial. In my opinion no one comes close to explaining the agony that our Blessed Lord Jesus felt than does Hugh Martin. This book will leave an impression in your mind that will last a lifetime, just read it and see for yourself.
