Understanding the True Wisdom of The Book of Revelation!!

By William B. Christman

This is a MUST READ for anyone who desires to know OR have an understanding of what the BIBLE defines as the End Times. An Excellent explanation of the Book of Revelations defined in a line by line description which is clearly spelled out and Defined in a manner which is easy to understand and grasp. Mr. Peter J. Dellas has without question taken a great deal of time, commitment and dedication in establishing this works of TRUTH, so that everyone may understand the absolute meaning of GODS WORD! WELL DONE and most definitely a MUST READ!

An understandable guide through revelations

By Amazon Customer

This book is a well written commentary on end times. Revelations is a very complicated book to understand. However the author brakes down each verse in language the average layman can understand but insightful enough for those well versed in eschatology. The author applies the scriptures to the current global and political environment that we live in. It is overall an excellent map to guide the average person through the complicated end times of the book of Revelation.

It is easy to understand and ties so much of history

By A.M. Conner

A must read. It is easy to understand and ties so much of history, philosophy, and biblical background into each section of verses that you can understand the Bible as a whole rather than piece meal. And since the author knows his Greek, he gives us more understanding of some verses that may allude us at first but now

give us an "AHA"! now I know what that means. An excellent read.
