## About the Author

Frank Nagy is Managing Director of Frank Nagy Financial Services. Since 1998, Mr. Nagy has been providing business consultation to project managers, traders, and investment advisers seeking to launch their own hedge fund. As a former FINRA licensed Registered Representative (Series 7/63), stock and Forex traders, as well as fixed income traders have benefited from Mr Nagy's experience and knowledge in the securities and fund formation process. In addition to being a hedge fund consultant, Mr. Nagy serves as co-adviser to a number of hedge funds. From his fund managerial experience he greatly reduces the burden of setting up and advising on management of a hedge fund as well as making the appropriate introductions with the proper service providers that will best suit his client's needs. By working along side with experienced securities attorneys, Mr. Nagy has assisted his clients seeking to raise capital by assembling the right fund structure. For the past thirteen years Mr. Nagy has served as advisor to various non-profit organizations including the Pinellas County Pregnancy Center. In addition, he currently serves as a Congressional Advisory member to past and present members of the U.S. House of Representatives in his district. Frank Nagy resides in the Tampa Bay Florida area with his wife and four children.

In his new book, hedge fund consultant Frank Nagy takes the novice through the steps to properly set up and manage a fully functioning hedge fund. The Ultimate Hedge Fund Guide provides new fund managers/traders with the knowledge and tools they need to be familiar with setting up and managing their own hedge fund. While other books are closely focused on specific topics such as trading and managing, The Ultimate Hedge Fund Guide gives the reader a fresh look on the basic setup and managing of a U.S. or offshore hedge fund. The Ultimate Hedge Fund Guide will provide answers on topics including: - Choosing your administrator, auditor and attorney - Marketing your fund while maintaining proper compliance - Understanding your offering documents - And more... As a former FINRA licensed Registered Representative (Series 7/63), stock and Forex traders, as well as fixed income traders have benefited from Mr Nagy's experience and knowledge in the securities and fund formation process.

The Ultimate Answer prior to setting up a Hedge Fund

By Dr. Tilak S Fernando

I had the opportunity to get down Frank Nagy's guide book on the subject ' The Ultimate Hedge Fund' and found it extremely useful as much as educational, as the author deals with a full gamut of legal aspects which will help anyone who is concentrating on setting up of a hedge fund.

The book also covers the areas and destinations which are ideal and safe, depending on clients' choice, while guiding the reader within the framework of legal boundaries as the case may be. I am quite happy that I ordered this book through Amazon and would recommend to anyone who has any ideas of setting up of a hedge fund and has any doubts how to go about it legally and safely.

For me personally, the book is a rare gem !

Excellent Guide on Hedge Funds

By Sandra Heurtelou

This is an excellent resource. I have found this to be extremely informative. Mr. Nagy has done an amazing job at explaining technical matters in a manner that even the novices can understand, without diluting the subject matter nor undermining the more seasoned veterans within the field. I recommend this book to anyone who is truly serious about understanding the inner workings of hedge funds or may just need a quick reference guide. This would make a great addition to any collection.

Some of the sloppiest writing I've come across

By Amazon Customer

I should have known from the pretentious title that this book was going to be a disaster. The financial content may very well be accurate, but Mr. Nagy does such a grotesque disservice to the English language that getting through the pages is like clawing through a wool sweater. The only reason I am keeping this book on my shelf is so I can give it to my kids as a workbook on "how not to write". The next time Mr. Nagy decides to write a book, he will need a very tolerant editor, or any editor for that matter.
