Don't be fooled, this book is not about money or luxuries. Can these keys increase your income? Absolutely, but we're focused on living a happier and more fulfilling lifestyle. A millionaire dream reality is a life where you don't wake up every Monday, mad because it's the start of a new week. It's a life where you don't worry about what others think, because your own happiness is much more important than an irrelevant opinion. It's a life where you take control of your situation, rather than blaming it on luck. Anyone can live a millionaire dream reality, so what are you waiting on?

Truely Inspiring

By DH

This book makes you stop and think about whether you are living your life to the fullest or just doing what is expected of you. Very interesting outlook for a young student getting ready to graduate college and enter the world of adulthood.
